RAILWAY COLLISION NEAR BOLTON

THE CONVICT OLIVER. The sentence of death passed on the convic Fanny Oliver, has been commuted, on the re commandation of the Judge, Baron Pigett, t one of penul servitude for life a very illogical damaged the sejentific proof, and organistantial that a good deal of ill feeling may follow on its avhlence might, in part at least, be explained away. This, we think, is all that could, with the utmost stretch of charity, be said on behalf of the unfortimate woman. On the other hand, the were in a great measure disarmed and interdicted from keeping or dealing in arms or ammuniabo is quite innocent, she is no doubt much to be pitied, but one herself, and not the verdict of the jury, is to bland. A married woman who magements, they were directed to confine their dictates love letters to a former lover, purchases the latter regard as only half dictates love letters to a former lover, purchases the latter regard as only half dictates love letters to a former lover, purchases arsenie, giving the lover's as ber own nume, who nurses her himband through an illness, and in whose husband's body areenic is found after death, cannot be surprised if society considers her a dangerous person, and disposes of her necordingly. In its scientific aspect, how. be brought about between the two countries. ever, the case suggests the necessity for a grand reform. Dr. Hill's evidence was impranted because it was ansupported. While a conviction for murder rests upon the evidence of one! expect, or of one expert mainly, it will always se so. Chemistry itself undoubtedly cannot err, but the best obemical manipulators may. No experiments where a human life is at stake ought o pass unchallenged, and we maintain that no jury ought to be required to decide on the evidence of a single expect. In every trial for murder the suspected articles ought to be sent to at least three toxicologists of undoubted rank each of whom should be paid at the public expense, to make a separate examination. B such a plan alone will even the best chemical evidence be cleared from all suspicion of fullacy. -Medical Times and Gazette.

A DOCTOR AND HIS FOUR WIVES. Many persons will romanbee that has year Burlingame, which he considers as evidence of one Dr. William Davall, who proglaimed him the Obinese disinch ation to progress. In itself seems very uncalled for, and may fairly be seems affected or in default three days detection. The Captain Chinamae, and persisting in the subject of complaint on the part of the public. One form in which this complaint is made, is well worthy of notice. It is very being the subject of complaint is justly observed, that, notwithstanding the subject of the Chinese of business in the town, and join issue with them in judging in carrying out their punishment. Of course these Chinese officials, acting in aid of the Gowernments. The particular of the Chinese criminal can long secape detection.
